

Conference Mate Combo™ Speakerphone

Bluetooth® Wireless and USB Combo Speaker

*Professional sound quality
anywhere plus you'll love how it
plays music*

PROFESSIONAL QUALITY EXPERIENCE

Pair this portable speaker with your smart phone (iPhone or Android), tablet (iPad or other), PC or Mac, or other A2DP *Bluetooth®* device for portable professional sounding conferencing anywhere you need it. No *Bluetooth®*? You can still connect with the included USB cable, or via the 3.5mm jack, using your own audio cable. Ideal for Skype™ and Skype for Business™ when you connect to your computer using the USB cable.

Conference Mate Combo™ is great for playing music when you are not taking or making calls.

Part#	MCP-3030	
UPC	800807300606	
MSRP:	\$129.99	

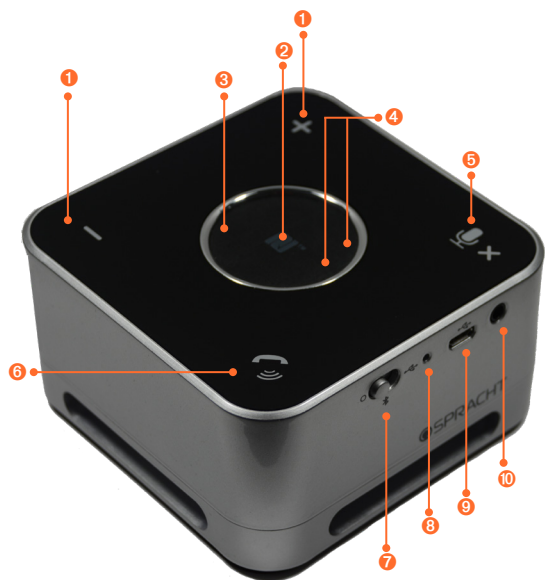

CONFERENCE MATE COMBO FEATURES INCLUDE

- 01** Connect to your Mac/PC via the USB cable for Skype™ and Skype for Business™.
- 02** Dual high quality omni-directional mic array so the unit will capture everything you say, and clearly. Enough volume so you'll be heard well at the other end.
- 03** NFC (Near Field Communications) chip for *Bluetooth®* pairing: just touch your NFC capable device to the Conference Mate Combo™ to pair automatically.
- 04** Downward facing speaker with passive bass radiator means a realistic, deep bass and rich sounding audio.
- 05** You get 7+ hours of talk time; USB recharges high power density Lithium Polymer battery.
- 06** Advanced Audio Distribution Profile (A2DP) for high fidelity *Bluetooth®* wireless audio.
