

# Aura Conference Speaker™ Bluetooth and USB

## Model MCP-BT-USB

### AURA CONFERENCE SPEAKER™

Now that we're meeting in conference rooms again, but still using our computers for conferencing, we need a speakerphone with HD sound, so everyone can be heard. It's Bluetooth 5.

But you can also use the Aura Conference Speaker™ as a softphone with your computer by plugging into the USB port of your PC / Mac, and use it for Skype, Zoom, GoToMeeting, WebEx, other VoIP calls.

On the road? Take it with you: small and portable in addition to being powerful. It comes with a case, so you can protect it in transit.

### FEATURES OF AURA CONFERENCE SPEAKER™

- 01 Compatibility: Plug and Play for PC/Mac computers, Bluetooth devices
- 02 Bluetooth 5, USB 2.0
- 03 Omni-directional mic: Voice pickup range of 6' to 9'
- 04 3' USB cable
- 05 Use with your computer's USB for Zoom, Skype, Teams
- 06 Protective case so you can take it with you.
- 07 Interact with your voice assistant (Siri, Alexa) with the one-touch voice assistant button when paired with your smartphone.
