

## ZUM 350™ Stereo 3.5mm & 2.5mm Headset

3.5/2.5mm Pin Universal Multimedia Headset • Monaural/Binaural

### STEREO OUTPUT AUDIO

Designed specifically for mobile phones, tablets and computers, and the large installed base of Deskphone-Handsets with Audio Jack Headset ports. Combined with a noise canceling microphone, they deliver high quality audio. The 40mm speaker provides a powerful sound output. Both 3.5mm and 2.5 mm Audio Jack Pins are included for universal compatibility.

### Durable, Easy to Use and Comfortable

Comfortable and bendable over-the-head headband with a bendable microphone boom. Professional quality materials, such as leatherette ear cushion, for durability and comfort.
