

HEAR. BE HEARD.

ZUM Maestro Combo USB/DECT™ Headset

Wireless Headset for Desktop Phones and Softphone • Range up to 350'

Wireless ease! Step away from your desk during phone calls.

**And also use with
your PC/Mac for VoIP
applications, like Skype.**

Unleash Wireless Freedom

Don't just sit there! You need to move. Get that cup of coffee while still talking. Answer and end calls while you're away from your desk too, by adding a Remote Handset Lifter or Electronic Hook Switch EHS cable). Plug and Play, and Eco-DECT lower emissions as well. You will really appreciate the crystal clear sound and voice quality. Noise canceling microphone to screen out the noise around you so you will be heard as well as you hear.

The comfortable headband wearing style, with extra large leatherette ear pad, is ideal for those spending a lot of time on the phone.
