

HEAR. BE HEARD.

## blunote2.0™ Wireless Speaker

Listen to music – take or make calls when paired with your cell phone

*Big sound in a small, lightweight speaker you can take with you*

### LISTEN TO MUSIC OR MAKE AND TAKE CALLS

Listen to your saved music from your *Bluetooth®* enabled smartphone or tablet (iOS or Android), or PC/Mac. The blunote 2.0™ provides a portable solution for people who need to conference anywhere while still enjoying superior quality sound. The high quality microphone allows you to take and make calls when paired with your smartphone.

Did we mention it's really loud? You'll be surprised at how much sound such a small speaker can generate without any distortion: **10 watts** (2 x 5W, two channel).
