

Zum-Over-the-Ear™ Bluetooth Headset

Bluetooth® True Wireless Headset with Qualcomm Chip Model HS-OTE-Q

ZUM-OVER-THE-EAR™ BLUETOOTH HEADSET

Bring your Bluetooth devices under control! The Zum Over-the-Ear headset rests on a base, out of the way, and charging at the same time. You can pair to 4 different devices and save their locations on the base so you can easily switch between phone, tablet and computer. Pro sound too: The headset utilizes the QC3020 from Qualcomm, for far and away best sounding audio. Listen to music, make calls. The microphone is dual noise reduction. So light you won't even notice you're wearing it. 9 hours of talk time on the headset and 54 hrs of recharging in the base.
