

MagPad™ Magnetic Wireless Charging Mouse Pad

MAGPAD™ WIRELESS CHARGING MOUSE PAD

Supercharge Your Workspace!

Power up your phone and earbuds simultaneously with the versatile MagPad™ Wireless Charging Mouse Pad. This high-tech, multi-functional pad keeps your workspace clean and efficient—seamlessly combining smooth mouse tracking with fast wireless charging. Featuring Qualcomm QC3 adapter-powered 15W charging, it's designed for both speed and convenience.

Why You'll Love It:

- Dual Device Charging: Charge your phone and earbuds case at the same time.
- Magnetic Flexibility: Use the MagPad™ with both halves connected or pull them apart for maximum adaptability to your setup.
- Charging Status at a Glance: Red LED shows charging, blue LED lets you know it's done.

Available in sleek Black or stylish Tan—choose the MagPad™ for the ultimate desktop upgrade!
