

ZūM Maestro DECT™ Headset

Step Away From Your Desk - Without Missing a Word

Freedom to move. Confidence you'll be heard.

Unleash Wireless Freedom

Take your calls wherever work takes you. With the ZūM Maestro DECT™ headset, you can move freely—grab a coffee, step away from your desk, check in with a colleague —while staying fully connected.

With up to 350 feet of wireless range, you're not tied to your desk. Add a Remote Handset Lifter or EHS cable to answer and end calls directly from the headset, even when you're away from the phone. Enjoy clear, professional sound with noise-canceling technology that reduces background distractions, so your voice comes through clearly on every call. Designed for all-day comfort, with a lightweight headband and soft ear cushion. Available in monaural or binaural styles.
