

Aura Professional™ Conference Phone

Affordable, Professional Conferencing Anywhere in the World

DO YOU NEED A NEW CONFERENCING PHONE?

Suppose you just upgraded to a larger conference room and now it fits fifteen people. Or you had a well-used conference phone that has finally stopped working. You might be ready for a small business conference phone that has high quality, professional sound but is still affordable.

This six (6) microphone conference phone comes with all you need for clear, full-duplex conversations. It automatically adjusts the phone circuitry so you can use it anywhere in the world. Everything you need to sound professional, without the high price tag!

Part #	CP-3010
UPC	800807300460
MSRP	\$499.99

AURA PROFESSIONAL™ FEATURES

- 01** PSTN direct dial, redial, rapid dial, recall, second flash.
- 02** Full duplex, allowing for simultaneous two-way conversations.
- 03** Clear, natural sound made possible by wide band acoustic echo cancellation and dynamic noise suppression. Phone line echo suppression as well.
- 04** Comes with 6 microphones, 4 internal and 2 external. Built-in automatic, intelligent microphone mixing so they can hear you well too.
- 05** You can store 20 numbers in the phone book, and speed dial 20 groups.
- 06** 3 line LCD displays caller ID.
- 07** 5 Watt speaker generates volume up to 90dB.
